The City of Bryan handicap collection is designed to provide special service to residents who have disabilities or handicaps that prevent them from being able to set their garbage container at the curb. The requirements for this service are that the applicant's household has no occupants physically capable of handling the garbage container as verified by a physician. A letter from a physician stating why the applicant is unable to maneuver the container to and from the curb is required for approval of this application. A similar physician's note will be required for each occupant over the age of 10 residing at this location.
